

## HEALTH & SAFETY POLICY

CORE Energy systems Management business culture is committed to the Health and Safety of its Employees, Business Partners, sub-contractors, and everyone who are directly related to our business process. We will ensure that all the work shall be carried out with utmost care, giving due consideration to safety which shall not be compromised under any circumstances.

We are achieving this by ensuring everyone follows the guidelines:

- LEARN**      The Safeway to do the Job before starting.
- THINK**      Safely and Act safely at all times
- OBEY**        Safety Rules and Regulations
- INSPECT**    Tools & Equipments to be sure, they are safe before you start work
- OPERATE**    Tools and Equipments after following all the Safety Start-up conditions as per the OEM manual
